The Idaho Department of Lands

*Managing endowment
lands for the future of Idaho*

Idaho Department of Lands

WHO WE ARE

An organization of 263 highly motivated natural resource and support function professionals, dedicated to the responsible management and protection of Idaho's natural resources.

OUR VISION

We will be the leader in natural resource management in Idaho by empowering our employees to make decisions rewarding their creativity and providing them with the resources necessary to achieve our Mission.

OUR MISSION

We manage endowment lands to maximize long-term financial returns to the beneficiaries and provide protection to Idaho's natural resources.

OUR RESPONSIBILITY

- Managing 2,500,000 acres of endowment trust land
- Primary fire preparedness and response on state and private lands
- Regulatory responsibilities:
 - Forest Practices
 - Lake Protection
 - Mined Land Reclamation
 - Dredge and Placer Mining
 - The Hazard Reduction law
 - The Idaho Forestry law
- Delivery of landowner assistance and cost-share programs to encourage responsible private land management

- Effective suppression of an average of 400 wildfires per year
- Silvicultural treatments on 8,000 acres annually

OUR ACTIVITIES AND ACCOMPLISHMENTS

- Annual timber harvest of 212 million board feet
- 1,380 grazing and cropland leases covering 1,850,000 acres
- 170 mineral leases
- 525 recreational cabin site leases
- \$50,000,000 annual net revenue to beneficiary institutions
- Inspection of 3,700 forest practices yearly

WHAT WE OFFER

We offer an opportunity to make a difference. Put your knowledge and talent into practice and experience the change. We offer a broad range of exciting professional natural resource and program opportunities. Specialty areas include fire, forestry, lands and range.

INTERNSHIP OPPORTUNITIES

The agency offers paid internship opportunities May through August. We offer a unique experience by providing training and practical experience on a wide-range of specialties including fire, forestry, range and lands.
